

Somebody close to me said "I will never leave the streets cuz they were allways there for me when I needed them". This is for you!

NEVER LEAVE

I will never turn my back,
I will neaver leave
we were so close
people couldn't believe,
I blame Everyone,
except you,
except me ,
Beacause you accepted me
no matter where I be.

You believe in ME,
So I WILL NEVER LEAVE,
I will never turn my back on you-
WE were ment to be,
I know you , you know me,
We got eachothers back,
It will allways be;

Til that oneday-that day WILL come,
When,
you will overcome me,
deceased;
I will sadly and forever be,
with-out you,
there is NO me-
til you breed another jus like me
